Most of them have seen service in the late war, and when they know their duty they will dare to perform it.

UNFORTUNATE AFFAIR .- Miss Emaline Stillings, whose parents are old and respectable citizens of Knoxville, came to her death on Saturday last by taking an over-dose of laudnaum. An inquest was held over her body on Sunday morning, and a verdict returned in accordance with the above facts.—
She had been in a deranged state of mind for a few days previous to the shocking occurrence, owing to the unhappy issue of her acquaintance with a young Mr. Mitchell, of this place. Under the present excitement, the true facts are hard to get, and we cannot tell who is to blame.

Under the present excitement, the true facts are hard to get, and we cannot tell who is to blame.
